

R. G. Sinclair Public School

Growing, Learning and Achieving Together

We support the total development of each child; moral, intellectual, social, emotional and physical.

SCHOOL GOALS

LITERACY

- Our students will demonstrate growth in responding to open response questions which require an understanding of making inferences and connections between the readers' personal knowledge and the ideas in the reading selection.

NUMERACY

- Our students will demonstrate growth in solving open-ended critical thinking questions.

SCHOOL CLIMATE

- Our school will continue to provide our Character Education program, "Build Character, Build Success". We will strive to provide mental health support to our students as appropriate.

STRATEGIES

Literacy

- Learning goals and success criteria will be posted in each classroom every day.
- Students will receive descriptive feedback based on success criteria.
- Teachers will develop, and students will work with, rich questions.
- Students will become more consistent in using higher order thinking skills when communicating their thoughts about what they read.

Numeracy

- Learning goals and success criteria will be posted in each classroom everyday.
- Teachers will continue to give timely, explicit teacher feedback and provide authentic, rich opportunities for practice.
- Teachers will develop anchor charts and 'bump up' math strategies.
- Teachers will develop, and students will work with, rich questions.
- Students will use numeracy skills to solve well designed, open-ended questions.

School Climate

- We will use the MEND approach and other restorative practices with students.
- We will continue to access community supports.
- Timely, sensitive and proactive response to all incidents and reports will occur.
- We will have monthly recognition assemblies, focusing on Character Education
- Timely review of 'Tell Them From Me' student surveys.
- All bullying situations will be investigated and students will be supported.

Our Students... Our Future.
